A HAMLET OF ALPINE LUXURY

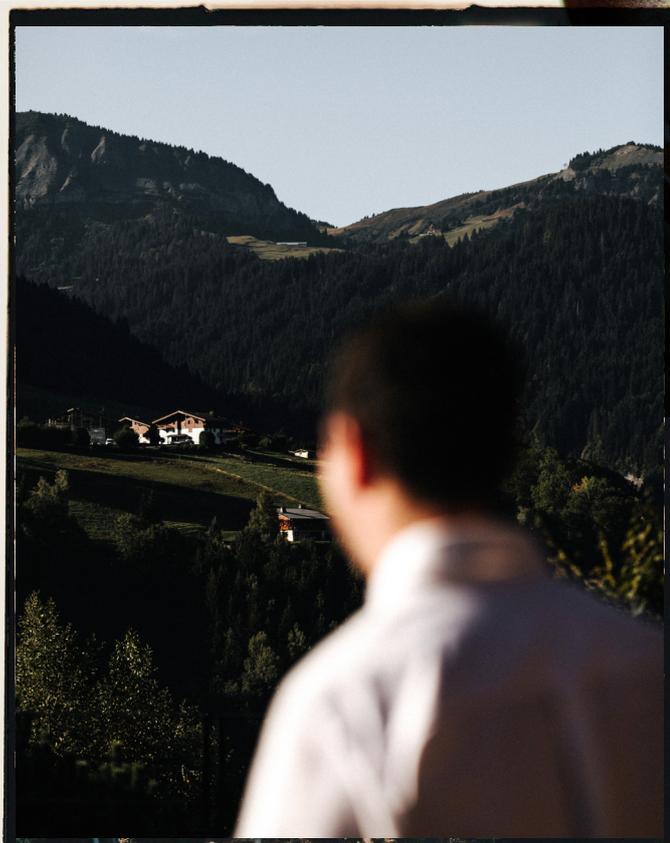

Traditional chalet dwellings surrounded by gardens create a charming ambiance, cocooning guests within their own private hamlet. Gazing up at the breathtaking Mont Blanc confirms that you are here, in nature's embrace. Our spaces are infused with the rich heritage of the region; sleek, contemporary style is brought to life with the unmistakable character of Alpine architecture and local craftsmanship.

INDELIBLE FLAVOURS

Food at L'Alpaga is adventurous and delicious. Our menus reflect the spirit of the region and capture the essence of local ingredients harking from our favourite, and extremely talented, small-scale producers. Dishes are as beautiful as they are authentic. Head Chef Alexandre Baule is guided by mother nature – both the surrounding landscape and our very own vegetable garden.

“In and around the hotel is a living ecosystem that we are continuously inspired by, which is why we try to make everything we do ever more sustainable.”

-Head Chef Alexandre Baule

EXPERIENCES AT L'ALPAGA

A location as rich as this means there are endless ways to spend the day. For the moments when you want to stay closer to home instead of venturing afield, our Alpine retreat will bring you joy. Peaceful endeavours such as outdoor yoga remind you to take it slow. Gastronomy runs deep in our DNA, and food lovers will savour wine tastings courtesy of our sommelier and garden to plate tours that culminate in cooking and dining together.

WELLNESS

The concept of wellness comes easily at L'Alpaga. Our formula is simple: connection, presence and nature. Piercingly fresh mountain air means you can't help but breathe deeper. Beautiful views encourage you to pause and soak it all in. Why not do so in our Nordic hot tub, overlooking Mont Blanc, following a sweat in the outdoor firewood sauna. For a pampering experience, the Spa de l'Alpaga offers a range of massage and beauty treatments in three treatment rooms, alongside a plunge pool and steam room.

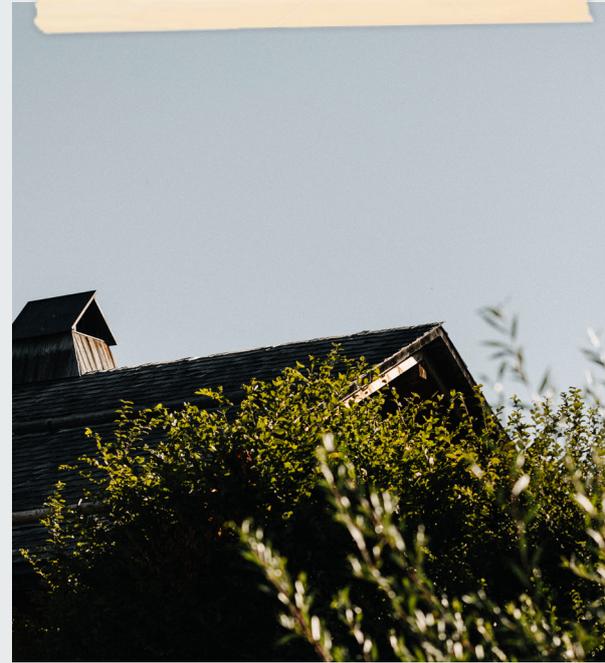

EXPLORING THE REGION

Embark on an adventure beyond our serene Alpine retreat and discover the exhilarating experiences that Megève has to offer year-round. Feel the rush of the wind as you mountain bike along rugged trails in the spring and glide through snow-covered landscapes on dog sleds in the winter. Gain a new perspective with Apérigliss, where you'll a gondola ride to the top of the mountain and enjoy a cocktail as the sun goes down. The options are plentiful, and our team can work with you to organise group trips for unforgettable bonding experiences.
