## A MOUNTAIN RESORT FOR YEAR-ROUND ADVENTURES

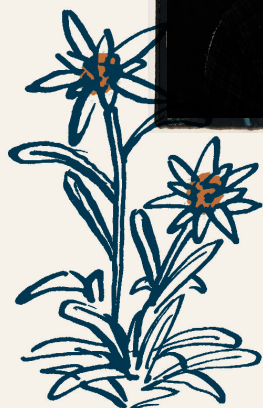

Modernity meets tradition through the rich heritage of Heimatsstil and Art Nouveau design. Open year-round, our resort evolves with each changing season. Thoughtful architecture creates a bond between two interconnected buildings and the mountain, while a destination spa provides the perfect place to reset after a day on the slopes or mountainside. The grounds feature stunning outdoor spaces, gardens with apple trees, and, on our doorstep, a forest with a picturesque plateau - ideal for brand pop-ups and activations. We also have a winter garden, a cosy spot for a tête-à-tête, or to relax in your own company with a good book and coffee.

## DELICIOUS MOMENTS

You may have travelled far to get here, but our food hasn't. Local ingredients, wild pickings and modern techniques guide our methods and menus across our restaurants. Authentic dishes are alive with the flavours of the changing seasons and are created with an attention to detail that could only be driven by passion.

*“Seasonal products, purchased 100 km away or picked nearby, and responsible practices, combined with a deep, sincere desire to please... It is conscious cuisine, respectful of the surroundings and our customers, that we offer in our five establishments”.*

Positioned in the heart of the community, you'll witness local Alpine traditions like *Alpabfahrt*, where cows are adorned with flowers, ribbons, and ceremonial bells as they move to higher pastures. Immerse yourself in the beauty of our surroundings with mindful flower picking, marmot watching, mushroom foraging, or forest bathing. In the summer, delight in our outdoor cinema, unwind with chess and card games, dance to DJs and live bands, and savour local flavours with wine tastings and unique gastronomy experiences.
