YOUR OWN PRIVATE LUBERON LE GALINIER

IN A WORD

At the gates of Lourmarin, one of the most beautiful villages in France, Le Galinier is an 18th-century bastide nestled in the heart of a vast landscaped park. A secluded, preserved haven where every moment is infused with the Southern art of living; between conviviality and relaxation: from a game of pétanque at apéritif time, to generous meals shared at the table, or sun-drenched afternoons by the pool.

Set against the majesty of the Luberon, timeworn stone and patina-tiled floors create a unique, timeless ambiance. Dappled light, soft shadows, and whitewashed beams invite daydreaming and contemplation, stirring the emotions and sparking memories.

Whether for a family getaway, a trip with friends, a romantic escape, or a special celebration, Le Galinier offers a tailor-made experience, one of a guest house like no other, conjuring a dreamlike Provence.

LOÏS VERSET

"Welcome to Le Galinier!"

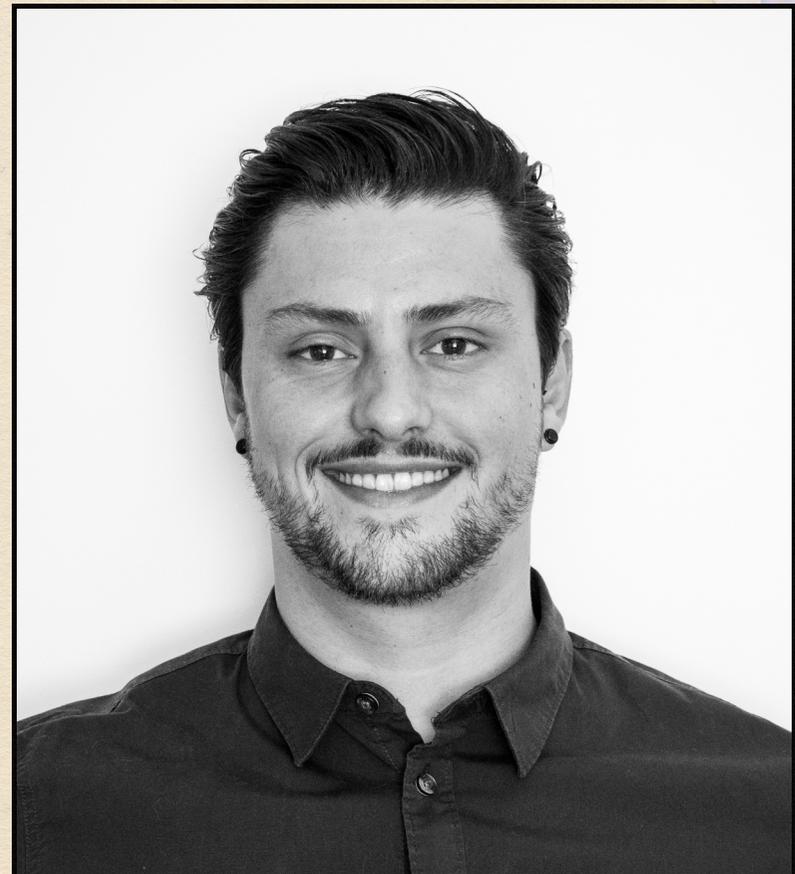

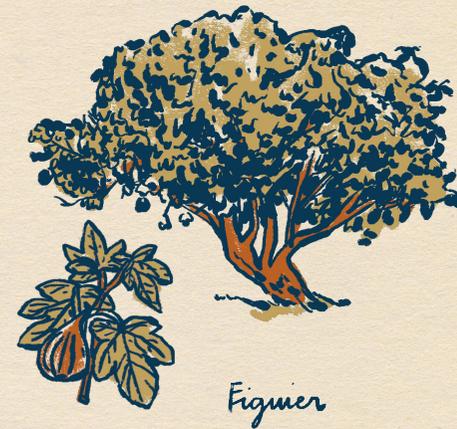

Originally, this mas was a peaceful refuge where noble elegance met the simple rhythms of rural Provençal life. We honor that heritage today with a place that celebrates the cultural and natural richness of the region.

Le Galinier is a sanctuary of serenity and beauty, where every moment pays tribute to nature and the Provençal way of life. It invites both contemplation and discovery, all within a refined, authentic setting.

Surrounded by lush gardens and centuries-old olive trees, the property is a living embodiment of the Provençal art de vivre.

See you soon at Le Galinier!"

ROOMS, SUITES & APARTMENTS

With timeworn terracotta tiles, vaulted ceilings, and centuries-old stone, the rooms, suites, and apartments offer timeless comfort and tranquility. Each space is carefully and elegantly decorated, inviting guests to lose themselves in the quiet whispers of Provençal tales etched into the walls.

ARCHITECTURE

At the crossroads of natural, architectural, and cultural heritage, Le Galinier reveals itself like a rare gem, its beauty effortless and self-evident. This 18th-century bastide embodies an ageless Provence, where joyful moments and leisurely afternoons coexist in harmony.

Nothing is superfluous, everything is already here. Every object and detail, thoughtfully chosen, nurtures the property's unique ambiance and deep connection to the region.

Outdoors, the gardens, designed by Atelier Lamarck, alternate between manicured and wild, blooming and green, evoking the charm of old-world gardens and setting the stage for shared adventures.

EXPERIENCES

At any time, Le Galinier offers the chance to live fully in the moment, to embrace each sensation, and to reconnect. From early morning yoga or personal training in the gardens, to invigorating hikes or runs along the trails, cycling adventures, pétanque beneath the ancient yew tree at apéritif hour, stylish Luberon explorations in vintage cars, or simply lounging poolside, every stay at Le Galinier is uniquely yours, and intensely Provençal.

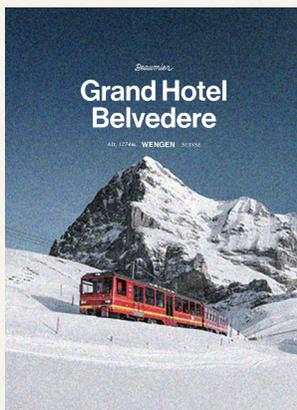

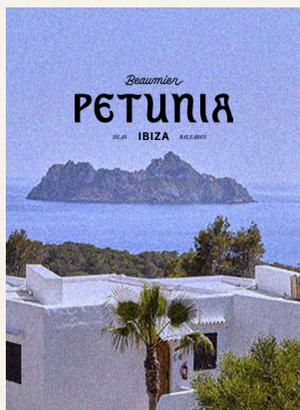

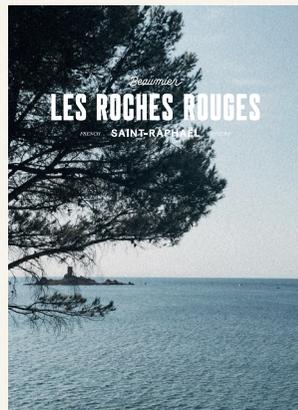

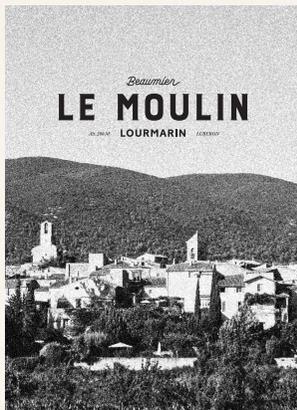

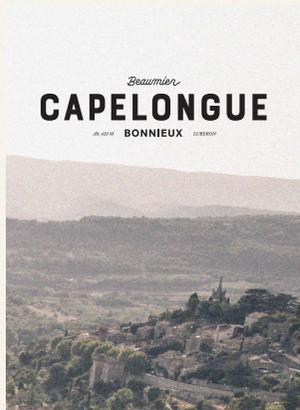

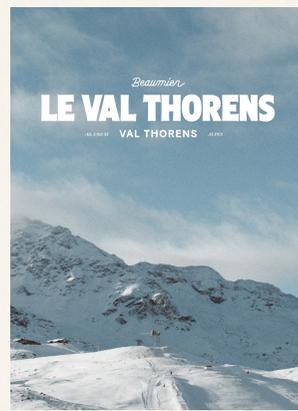

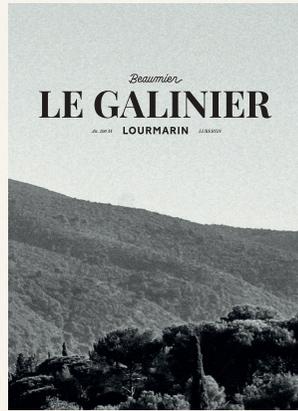

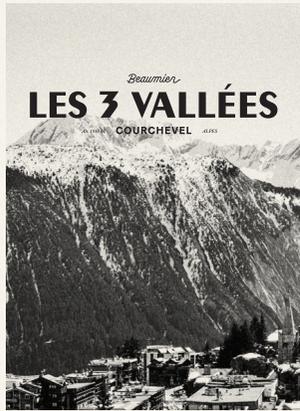

Beaumier

LOCAL

Lourmarin captures the very essence of the Luberon, a village where each lively lane, sun-washed stone façade, and timeworn wall radiates warmth and life. Nestled at the foot of the Luberon, surrounded by vineyards and almond trees, it opens onto a palette of landscapes straight from a Provençal dream: evergreen oaks, cypress-lined paths, and a bright sunlit glow that sets the scene for nature's full expression in a place both peaceful and wild.

The Beumier Group currently operates ten hotels in Europe.

BEAUMIER

Far from postcards and international standards, Beumier departs from each of its destinations with a green approach to rewrite a tailor-made story, full of relevance, with the help of a collective of enthusiasts. Each hotel transports its guests into its immediate environment. From the snowy peaks of the French or Swiss Alps to the sunny shores of the Mediterranean, and through the beauty of Provence, Beumier outlines the contours of a sensitive luxury, blending a quest for authenticity, deep hospitality, and ethics.
