

A scenic view of a mountain valley. In the foreground, a small wooden house with a brown roof sits on a green grassy slope. The middle ground shows a valley with green fields, scattered trees, and a small village. The background features towering, rugged mountains with patches of snow under a blue sky with scattered clouds.

Belvedere

A SWISS ICON REBORN

The first and only 5-star hotel in Wengen, Grand Hotel Belvedere is a Belle Epoque gem that's been lovingly reimagined. It's time to leave the humdrum and monotony of city life behind. Here, in the breathtaking Bernese Oberland, nature rules. We provide the perfect backdrop for shared experiences, tailor-made for you, whether hosting a brand launch, management retreat, or family celebration. Our mountain escape is a harmonious antidote to all the noise; you'll think and breathe as clearly as our blue skies.

*Majestic views from
The Wengernalp Railway*

POSTCARD-WORTHY VIEWS

Find us in the car-free village of Wengen, where you'll wake up to piercingly beautiful views and enjoy unparalleled access to the region's natural wonders. Getting here is an experience in and of itself; a scenic journey that weaves through mountains and above lakes until you arrive at the majestic Jungfrau. For guests arriving by car, our team will meet you in Wengen Station and guide you onto the train to Wengen. On arrival, you'll hop on an electric cart to bring you to the hotel.

A MOUNTAIN RESORT FOR YEAR-ROUND ADVENTURES

Modernity meets tradition through the rich heritage of Heimatsstil and Art Nouveau design. Open year-round, our resort evolves with each changing season. Thoughtful architecture creates a bond between two interconnected buildings and the mountain, while a destination spa provides the perfect place to reset after a day on the slopes or mountainside. The grounds feature stunning outdoor spaces, gardens with apple trees, and, on our doorstep, a forest with a picturesque plateau - ideal for brand pop-ups and activations. We also have a winter garden, a cosy spot for a tête-à-tête, or to relax in your own company with a good book and coffee.

DELICIOUS MOMENTS

You may have travelled far to get here, but our food hasn't. Local ingredients, wild pickings and modern techniques guide our methods and menus across our restaurants. Authentic dishes are alive with the flavours of the changing seasons and are created with an attention to detail that could only be driven by passion.

"Cooking tells a story. Every dish must reflect:

A connection with the region, by showcasing the land, traditions and culture. A commitment to health, by creating dishes that nourish and replenish. A sustainable vision, by respecting resources and preserving the future of the planet."
